SERIES
VEHICULAR PAVERS

STYLE
ROADLOCK®

Roadlock® driveway pavers are uniform in shape and calibrated to a thickness of 2-3/8". They install easily in a sand base. This very dense, nonporous product can be installed in any climate and is resistant to salt erosion, secondary efflorescence, staining, algae and mildew growth that is common on driveway paving.

Roadlock® is presented in three sizes and stunning colors from residential and commercial driveway paving projects.

COLOR SELECTION - PAVERS AND COPING

SHELLOCK STYLE

GRANITELOCK STYLE

APPLICATIONS

Roadlock® driveway pavers have a stunning look and are a refreshing change to the old concrete driveways. Its polished and smooth surface adds beauty to any project.

Our high-quality driveway pavers will redefine your concept on how to keep your driveway looking its best. Built with the latest technology, they are durable and require very little maintenance.

Choose from a classic pattern or create your own. Mix and match colors to express your style and preferences. The end result will be an elegant entrance, while also enhancing the value of your property.

CUSTOM COLORS

Custom colors available typically for minimum quantities of 10,000 square feet.

NOTES

- The Shellock® Style has natural shells embedded at different distances from the surface of the material, and then polished. Therefore, a small percentage of the shells are expected to come loose from the surface and edges of the tile. This occurrence will diminish over a short span of time and in no way will effect the strength of the product.
- Pavers should be installed from several pallets at a time to maintain the best color consistency.
- Due to processes required to manufacture, package, deliver, unpack, install and compact the products, small chipping can be expected.
- The product images in our catalogs, brochures, or shown on monitor screens give a general indication of color for a preliminary selection. We recommend you also view current product samples and look at actual finished projects before making your final decision.
