

# Complete Starter Kits

## THE AquaBond SYSTEM

Check out the distinctive, new labeling on our popular DMK starter kits! Every kit is now color-coded to the fabulous AquaBond® product inside.

Each colorful label includes a list of the starter kit contents **PLUS** an illustration of the DM-50 Dispenser, AquaBond® Adhesive Cartridge and SM-5416 Static Mixer.

The fresh new look brightens up and clarifies the differences between our popular pool and spa sealants.
