

STRIP LIGHT

DESCRIPTION

The Brilliance AC flexible Strip Light is rated for outdoor use. The LEDs on this Strip Light are encased in non-yellowing material. Brilliance Strip Light provides great accent lighting for stairs, railings, and overhangs, plus it installs easily. Incorporate it to a new project or connect it directly to an existing 8 to 16 VAC landscape lighting system. Dimmable with Brilliance Dimmer and most magnetic transformers.

Part Number: **BRI-SL3-XXXX-82**
BRI-SL3-XXXX-32
 Kelvin

NEC® Article 411.5 (B): Lighting systems shall be installed not less than 3m (10ft) horizontally from the nearest edge of the water, unless permitted by Article 680.
