

SUBURBIA

2 1/2" x 9"

<https://cepactile.com/product/suburbia/>

PROFILE

While deeper, saturated tones are regal and uplifting, the lighter shades confer tranquility and serenity evoking mellow and relaxing feelings ideal for any room in your home.

Coordinating Trim:

Jolly Piece 9/16" x 6" Bead

Jolly Piece 1/2" x 6" Surface Bullnose

Please note the Jolly pieces are coordinating trims that are fired at different times than the field tile. In this regard, there can be wide shade variations between the field and trim pieces.

RECOMMENDED AREAS OF USE

With regard to the durability of the bisque and glaze, this material is suitable for:

- All vertical applications - residential and commercial
- All interior wall, countertop and floor applications
- Fireplace surround, hearth and firebox
- Light commercial flooring applications
- All exterior wall applications including building facades, swimming pools, fountains and outdoor kitchens, including regions that experience extreme weather conditions subject to the method of installation

INSTALLATION AND MAINTENANCE

- Please refer to the TCNA handbook for installation method <http://www.tcnatile.com/>
- Always inspect material prior to installation, for color, shade, size, mounting and any other deciding factors as installed material cannot be accepted for return or credit. Use signifies acceptance.
- Recommended Grout Joint: Minimum 1/8"
- Material can be cleaned with any mild nonabrasive household cleaning product due to the chemical resistant nature of the glaze.
