TOUGHNESS WITHOUT
ROUGHNESS

Hydrazzo was the first polished finish in the industry, and it has set the gold standard in pool finish innovation. A silky smooth polished texture, combined with the proven durability of exposed aggregates are prime features of this state-of-the-art pool finish. With unique color selections and a natural variegated appearance, **Hydrazzo** complements all poolscape designs. This polished pool surface creates a finish that is naturally resistant to spot etching, topical stains, permanent scale and algae adhesion.

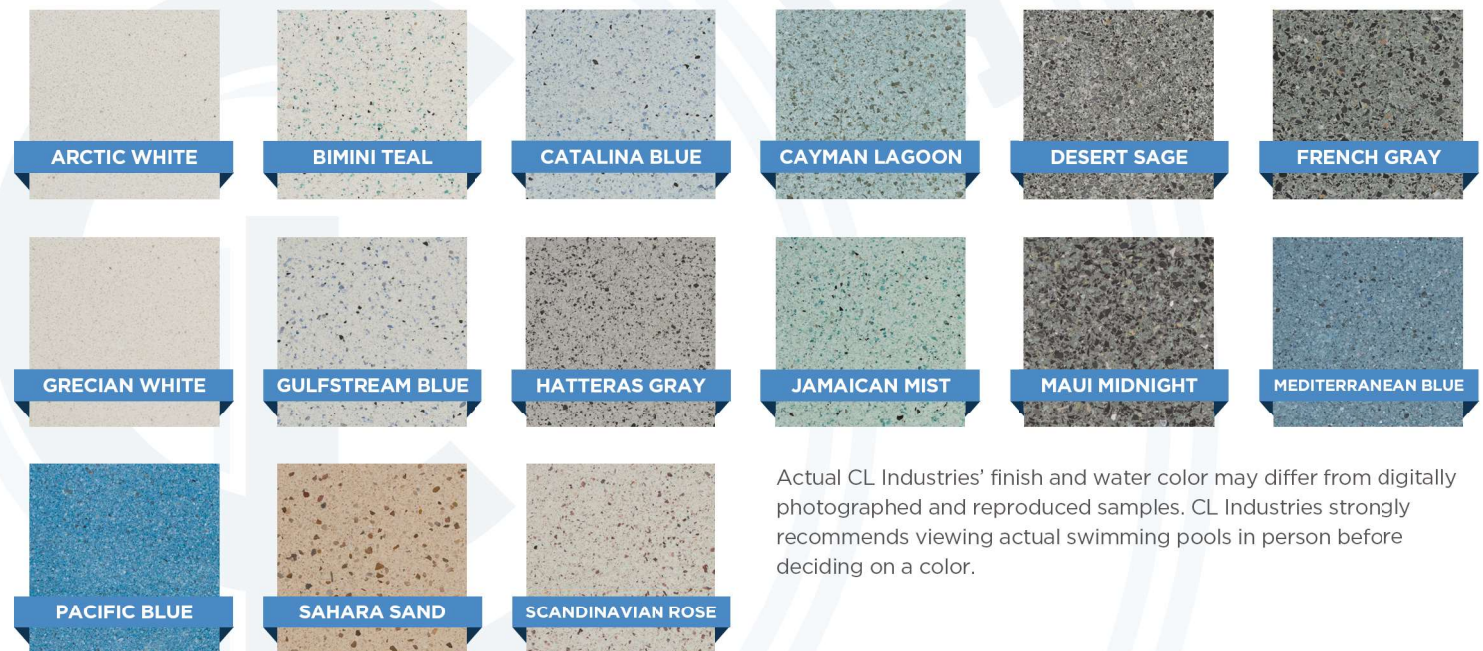

The most beautiful pools in the world are surfaced with the hand-polished magic of **Hydrazzo**. It is the smoothest, richest and most luxurious surface available, formulated from time-proven technology and the earth's finest raw materials.

Hydrazzo combines naturally beautiful coarse graded crystalline and colored marble, along with white Portland cement and a host of other performance enhancing ingredients. The result is the ultimate pool surface coating.

BENEFITS:

- Proven Durability
- Rich in Color Options
