POOL FINISH

Krystalkrete Ebony

FIND STRENGTH IN BEAUTY

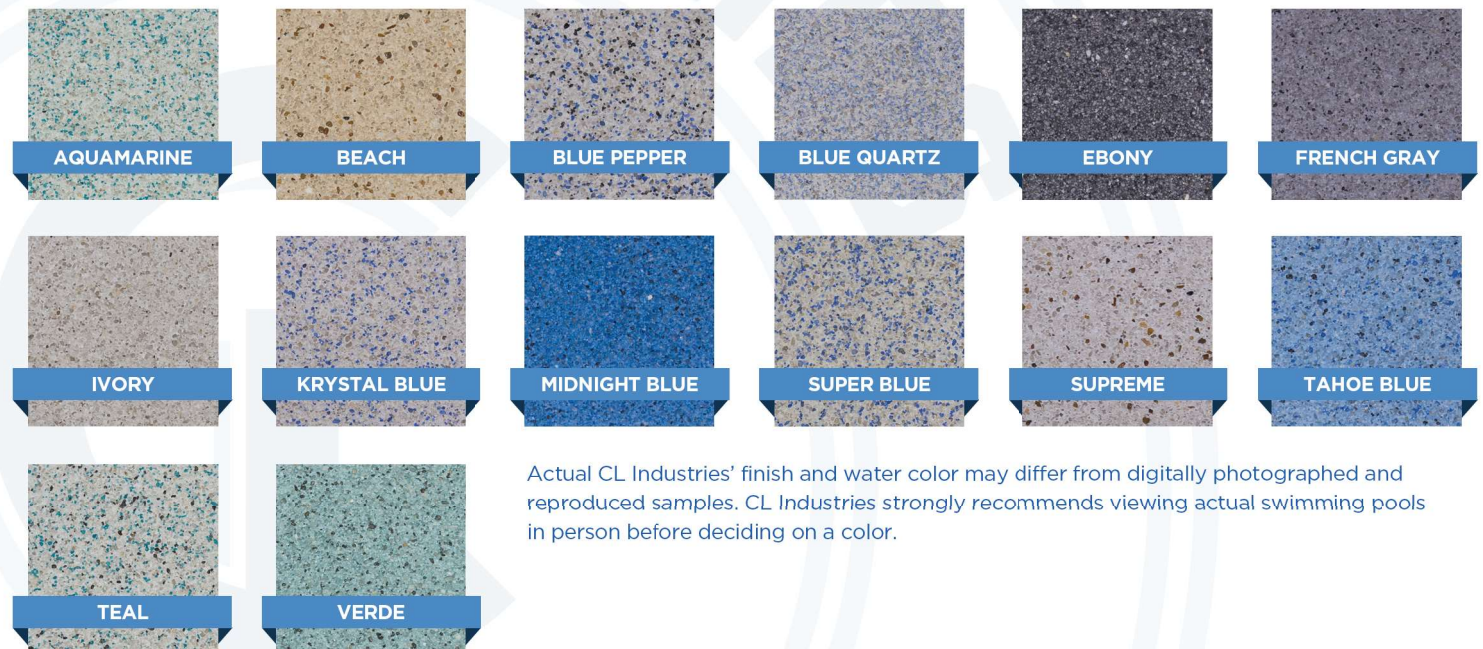

Krystalkrete is made from nature's finest materials to create the most luxurious quartz pool finish in the world. This finish is available in fourteen distinctive colors that will transform your pool into a breathtaking masterpiece. Whether you are looking for traditional elegance, contemporary flash or something in between, nothing captivates the imagination like **Krystalkrete**.

Krystalkrete combines the performance properties of enriched Portland cement with factory-blended crystalline aggregate enhanced with sparkling colored quartz to create luster and strength, that outshine and outlast traditional pool finishes. **Krystalkrete** is available in a variety of attractive colors which allows the pool builder and homeowner limitless flexibility in tile and accessory selection. Whether the application is for a new construction or a renovation project, **Krystalkrete** sets the bar at new heights.

BENEFITS:

- Proven Durability
- Etch Resistant
- Stain Resistant
- Lower Maintenance
- Lightly Textured

SAMPLES:

Actual CL Industries' finish and water color may differ from digitally photographed and reproduced samples. CL Industries strongly recommends viewing actual swimming pools in person before deciding on a color.

Krystalkrete Super Blue
