Sheer Descent® Waterfalls Add Beauty and Life to Your Pool— *Day and* Night!

Jandy Sheer Descent® Waterfalls Will Be the Focal Point of Your Backyard Oasis

Sheer Descent

Enjoy the soothing sound and shimmering sight of falling water with Sheer Descent Waterfalls. A Sheer Descent Waterfall produces a clear arc of water that projects away from the pool wall and can easily be adjusted to suit any mood or environment. A wide range of water effects are possible from an almost silent, glass-like sheet of water to a rushing mountain spring waterfall.

A captivating addition to any new, remodeled or existing pool or spa, Sheer Descent Waterfalls are available in lengths from eight inches to eight feet, including curved and extended lip models.

Choose from a variety of waterfall styles including Sheer Descent, Sheer Rain, Sheer Curtain, Sheer Arc and Rain Arc.

Fiber Optic Ready Option

Make the most of your water features both day and night! Transform daytime fun into evening romance as you illuminate your water features and turn them into the after-dark focal point of your aquatic masterpiece.

Enjoy the alluring color of fiber optic lighting by simply adding a Fiber Optic Ready option to any Sheer Descent, Sheer Rain or Sheer Curtain Waterfall.

Radius and Super Radius Waterfalls

Radius and Super Radius (pictured on back cover) Sheer Descent Waterfalls allow for even greater customization. Let your creativity run wild with a variety of unusual shapes and designs.

Variety of Finishes

Sheer Rain, Sheer Descent and Sheer Curtain waterfalls are available in both soft white and gray to best match your pool.
