

Classicstone™ is exactly what it suggests, the ultimate in timeless, traditional sandstone and limestone flagstones. Each hand cut piece has a naturally riven surface and edges that inspire a warm and natural rustic look.

Classicstone™

Each flagstone within this range is distinct, with unique and varying color palettes, differing riven surfaces, natural veining and occasional fossil prints. Classicstone™ products are available in a combination of project packs, single sizes and circle kits. Please note that Charcoal is not available in a circle kit.

Classicstone™ products have been calibrated and sized in squares and rectangles to ease and reduce the cost of on-site installation.

Please note that all product sizes, weights and coverages stated throughout this brochure are nominal.

The Classicstone™ collection includes:

Harvest™ Lakeland™ Golden Fossil™ Promenade™ Charcoal™*
