

MARKING PAINTS

Inverted Tip Utility Marker - Waterbased

Heavy-duty Industrial Marking & Striping Systems that are Environmentally Formulated

Seymour Stripe® products are formulated to address today's environmental concerns while providing efficient and dependable performance in a wide range of marking applications. From utilities and construction to recreational and maintenance applications, Seymour offers a Stripe product suited to your needs.

Inverted Tip Marker — A heavy-duty industrial marker available in water and solvent based formulations. The no-clog, fast drying formula is available in a full range of construction and APWA colors. All come with the Seymour converta-cap, a specially designed protective cover that does not need to be removed before using. This provides the user with a convenient marking tool without the worry of accidentally spraying. Seymour's Spray Tip allows product to be used with most types of marking equipment.

Solvent based is a fast drying marking paint designed to be sprayed in an inverted position. Produces vivid marks, does not clog, and is safe for grass. The solvent based formulation works well in low temperatures. Meets APWA color standards and is VOC compliant.

16 and 20 ounce cans, packaged 12 in a case.

Inverted 3-Series Marker — A fast drying marking paint designed to be sprayed in an inverted position. Uses a patented technology to cut the environmental impact in half (as compared to standard solvent based marking paint). Produces vivid marks, does not clog, and is safe for grass. The solvent based formulation works well in low temperatures. Meets APWA color standards.

20 ounce cans, packaged 12 in a case.

Temporary Inverted Tip Marker — A patented temporary marking paint that dries fast and produces vivid lines. Temporary marking paint is water soluble and can be removed immediately with a garden hose or gradually after a few rains. Covers approximately 400 linear feet per can.

20 ounce cans, packaged 12 in a case.

Can be applied using our Z-605 and Z-606 marking accessories.
