88+ Years of Diving Experience

Quality, safety and selection are the hallmarks of S.R.Smith residential diving boards and stands. Available in a wide range of shapes, styles, and colors, our boards and stands are designed with varying degrees of flex and spring. Rigid stands or those that have a spring mechanism can be paired with a variety of boards with varying flex to create unique performance characteristics. Diving board and stand combinations are defined in two ways, according to their level of flex:

Jump Boards – a flexible board on a base that utilizes a spring mechanism.

Diving Boards – a flexible board on a rigid base.

New or Replacement?

While all of our diving boards can be installed on new pool decks, providing they meet safety standards, we also have replacement diving board options. A wide variety of our stands utilize the same jig, so upgrading your stand is simple. Refer to our jig identification guide on page 63. If a new jig is required for the new stand, you can drill holes in the deck and secure a new jig with one of our epoxy kits.

Salt Pool Friendly

All S.R.Smith diving boards are salt pool friendly. Select stands also perform well in salt pool environments.

Boards

Whether it's placing a brand new diving board and stand on a pool deck, or updating a well-loved diving board, S.R.Smith has an option that will delight builders and pool owners alike. The diving experience is at the very heart of backyard pools, and S.R.Smith is creating new, exciting options to help ensure diving boards continue to be a centerpiece of swimming pool fun and memories.

TrueTread®
This patent pending diving board features a durable, marine-grade composite surface. Available in blue, red, gray and tan.

Fibre-Dive Board
Fiberglass reinforced core, acrylic shell with flexible outer edge, matte backside, non-slip sanded tread.

Frontier II Board
Fiberglass reinforced core, acrylic shell with flexible outer edge, matte backside, non-slip sanded tread.

Frontier III Board
Fiberglass reinforced core, acrylic shell with flexible outer edge, matte backside, non-slip sanded tread

Frontier IV Board*
Fiberglass reinforced core, acrylic shell with flexible outer edge, matte backside, non-slip sanded tread

Glas-Hide
Fiberglass wrapped core with flow-coat, smooth backside non-slip sand tread

* Frontier IV boards require a special stand

SPECIALTY JUMP SYSTEMS

T7 Jump Board Systems

Manufactured from composite materials and the only 7' board on the market. Available in unique colors and visual textures to match our Destination Series In-Pool Furniture and Custom Slides.

Edge Jump Board Systems

Manufactured out of composite materials with a wood core to resist rust. Designed for new construction projects or retrofit applications.

Boards	Bolt Pattern	Available Lengths	Weight Limit
TrueTread®	2-hole, 12" O.C.	6', 8'	250 lbs
Fibre-Dive	2-hole, 12" O.C.	6', 8' & 10'	250 lbs
Frontier II	3-hole	6' & 8'	250 lbs
Frontier III	2-hole, 12" O.C.	6', 8' & 10'	250 lbs
Frontier IV	2-hole, 11" O.C.	8'	400 lbs
Glas-Hide	2-hole, 12" O.C.	6', 8' & 10'	250 lbs
T7	2-hole, 12" O.C.	7'	300 lbs

TRUETREAD®

REINVENTING THE DIVING BOARD

S.R.Smith has reinvented the diving board category with a unique, patent pending design: the TrueTread® Diving Board Series. These stylish diving boards make an old favorite new again with a modern, sporty look that provides an exceptional launching grip. TrueTread is a durable, marine grade composite material that stands up to salt, sun and hours of fun. Compatible with multiple S.R.Smith stands, TrueTread Diving Boards are an ideal upgrade that makes the diving board experience new again.

For more information, visit srsmith.com/truetread

Salt Pool Jump System

Resist corrosion with this new low-profile fiberglass-backed stand and composite spring assembly designed to perform well even in harsh pool environments.

- 6' or 8' lengths
- Available in three designer colors to match your backyard décor
- Stainless steel hardware for added corrosion resistance
- Can be retrofitted onto existing 606/608 Cantilever jigs

SALT FRIENDLY JUMP STAND WITH FRONTIER III BOARD

Stand & Spring Colors

• For Marine Grade (316L), add -MG to part number

• Boards are sold separately

* Not recommended for salt pools

U-Frame with 8' Frontier IV Board*

The special U-Frame Stand, designed specifically for our Frontier IV board, is a great alternative to consider for pools with heavy diving traffic and more athletic pool users.

- The Frontier IV board comes in an 8' length
- Mounting bolts are on 11" centers
- Frontier IV comes in white, with a matching non-slip sanded tread for maximum safety
- Made of 1.90"OD, .109 wall tubing, 304 or 316L stainless steel tubing
- 400 lb. weight limit

Stand Part No.	Description	Board Size	Shipping (Class 85)			
			Weight	Length	Width	Height
UF-15-200	15" U-Frame only (.109)	8'	21 lbs 9kg	33" 84cm	25" 64cm	2" 5cm
68-209-1582	U-Frame with 8' Frontier IV Board	8'	98" 201 lbs 91kg	20" 249cm 45"	3" 51cm 17"	8cm 14" 36cm
66-209-4082	8' Frontier IV Board (board only)					

Notes: Weight limit 400 lbs.

*The Frontier IV board has 11" bolt centers and requires this SPECIAL U-Frame that will only work with this board

FC-100A (18")
FC-200A (20")

U-Frame Fulcrum Pad

- Heavy-duty rubber
- 18" or 20" long
- Accommodates 1.90" OD tubing

Edge Jump System

- Available in 6' or 8' board lengths
- Comes in several colors to match your outdoor decor
- Active base - spring feature is derived from Both base & board
- Durable & long lasting acrylic & fiberglass construction with advanced composite springs
- Optional board fall compatible with board & base
- Weight limit: 300 lbs
- Can be used for retrofit applications with existing 12" on center techni-spring steel jigs or 606/608 12" jig bolt pattern
