KEEP AN EYE OUT FOR SAFETY

It's easy with S.R. Smith lifeguard chairs and stands. They're designed to meet the needs of the public pools and today's lifeguarding requirements. Light or heavy use, permanent or portable, every lifeguard chair and stand is built from the best materials available to ensure durability, stress tested to ensure reliability and comes in a wide variety of designs to ensure guarding flexibility. Rely on S.R. Smith to help put safety first.

portable

O-Series: 360° Visibility

Scan more with the O-Series Lifeguard chair. Its circular design offers a full view of the protected area and unobstructed exit capability which enables quicker response to potential threats. Plus, it's portable so you can have protection where you need it.

Low Profile

This unit offers portability in a traditional form factor with the added benefit of 360° viewing.

Standard

This narrow profile unit offers portability and a 6'/1.8m high seat for elevated scanning.

Vista

6'/1.8m or 8'/2.4m heights and 360° viewing in a portable intermediate profile.

permanent

Cantilever

This fixed position platform requires limited deck space and offers 360° viewing from its 6'/1.8m high perch.

Institutional

This permanent 6'/1.8m high stand is an ideal platform for lifeguarding, coaching or judging and offers 360 viewing.
